Chengam Taluk, Tiruvannamalai district

I am Amutha W/o. Kamaraj from Gangampattu village. We are poor and our work has been very seasonal. Hence we used to find very difficult to take care of the financial needs of the family. We have three children to take care off. Being a member of Samanthi Mahalir Group helped me to get support money of Rs.7000/- from the sum supported by Stop Poverty. I invested the money for setting up a garland and flower selling hut. I am able to earn Rs. 200 to 250 per day. During the festivals this income goes up. This additional income has been very helpful for having proper meals in our family, save money, take care of our family needs and education of our children. I am thankful to Stop Poverty and RWDS for helping our family.
